

Millionaire Educator Workshop

A Process, Not A Product

Presented by All S.I.D.E.S of Financial
Literacy, LLC

JackieTrust® is offering a financial literacy wellness session for teachers.

Millionaire Educator (ME) is a way to recognize the needs of teachers and build a supportive culture with your staff.

Millionaire Educator
provides practical money tips
and strategies.

The ME workshop will help teachers consider
smart money decisions and position
themselves to become millionaires on an
educator's salary.

*Cost: \$1000 for the teaching staff of an entire
school site.*

Educators can achieve financial success without sacrificing our passion for teaching.

ME is an incredible opportunity for leaders to provide self-care sessions for the teaching staff.
